To

The Secretary to the Government of

H. H. the Maharaja of Mysore,

Deptt., Bangalore.

Sir,

With reference to paragraph 2 of G.O. No. 6280-1/med:101 17-2 dated 8-5-1918, I have the honour to state that the 2nd year class of the Medical School will be formed on the reopening of the school after the summer vacation, viz: on 1st July 1918.

As regards the necessity or otherwise of appointing whol time lecturers on important subjects, I beg to state that the present requirements of the school are fully met by the lecturers selected and appointed from among the officers of the Medical Department.

In all Medical Schools and colleges the Lecturers and Professors are, as a rule, members of the staff of the Local Hospitals and this is the only arrangement whereby the students can properly be given, as they ought to be, clinical training in the mornings in the Hospital Wards, by the same officer who lectures to them in the afternoons in the School or College. I am not therefore, in favour of the entertainment of whole time lecturers, not attached to any of the Hospitals and therefore not in a position to impress on the students the subject matter of their afternoon lectures by practical demonstration in the wards of the hospitals.

TVA

It is, however, necessary to appoint a Demonstrator in Physiology on the same rate of allowance as that given to the Demonstrator in Anatomy, viz., Rs.50/- a month and request that this may be sanctioned at an early date. As the appointment is to have effect only after the re-opening of the School, I shall, on receipt of Government sanction, suggest the name of the most suitable hand that may then be available.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.
